To: "Boal, Michael [IGOV]" <Michael.Boal@governor.iowa.gov>

Thank you for your prompt response. I want to provide clarification you are seeking about the records we seek in the paragraph identified as (3) in our August 10, 2021, letter.

TIMEFRAME: We are seeking letters, memorandums and emails from the months of May, June and July of 2021 that deal with the deployment of Iowa State Patrol employees to Texas.

EMAIL DOMAINS: We seek emails sent to "governor.iowa.gov" email accounts (or the comparable State Emergency Operations Center email accounts) used by Governor Reynolds and Chief of Staff Craig, when emails originated with Texas Gov. Greg Abbott, members of Gov. Abbott's staff, or from officials or administrators within the Texas Department of Public Safety.

In addition, we seek emails sent from the "governor.iowa.gov" email accounts (or the comparable State Emergency Operations Center email accounts) used by Governor Reynolds and Chief of State Craig, when the email recipients were Texas Gov. Greg Abbott, members of Gov. Abbott's staff, or were officials or administrators within the Texas Department of Public Safety.

SEARCH TERMS: We are seeking all emails (along with letters and memorandums) sent or received within the three months I identified above, when the documents originated with or were sent to Governor Reynolds or Chief of Staff Craig and were coming out of (or going to) Texas Gov. Greg Abbott, members of Gov. Abbott's staff, or officials or administrators within the Texas Department of Public Safety.

I think that addresses the questions you had, Mr. Boal.

Again, thank you for your assistance with these requests.
